

At the start of a new term and the Year of the Dog, why not make a start on learning a language - for your career, for making friends, for your own interest...

The Center for Language Education invites you to pick up a new foreign language, or reacquaint yourself with one you have learnt before, and this term we are introducing **small-class courses at pre-intermediate levels**, so you can learn faster in a more relaxed environment with learners at your level!
