

IMPORTANT: The University is pleased to offer **online versions of Spring classes**. It is important to decide **before registering** (see instructions below) if an online option is what you are looking for. Access to Canvas - with the Zoom Meeting function – on course days and at specific times is required (arrangements will be made to offer temporary Canvas accounts to those who need them). Please note that a published textbook is also still needed for all these courses; full details of the textbook and how to get a copy of it will be provided once the courses have been confirmed.
